

Canvas Training, Resources, and Support

This document is to serve as a go to document for resources and supports to guide your onboarding into Canvas.

TRAININGS:

- The CELT (Center for the Excellence in Learning and Teaching) site has a cadence of [Training Sessions](#) being offered for Canvas. This ranges from basics to advanced, as well as training on other aspects/tools as well!
- [Recorded Training Sessions](#) are also available on the CELT site. These are great as you can watch on your time, pause, and rewind! Topical videos include: Canvas, Turnitin, Panopto and more!

RESOURCES:

- Go to the [Instructional Technology site](#) to find walkthrough videos and support resources on many of the instructional tools used in Canvas (Zoom, Ally, Flipgrid, etc..)
- All faculty are part of a self-paced course called Growing with Canvas. This is designed to guide your familiarity with Canvas and is found on your Dashboard upon logging in.
- Below are links to some common features used in a Canvas course:
 - [Uploading Documents to Canvas \(syllabus and more\)](#)
 - [Creating Announcements](#)
 - [Creating Assignments](#)
 - [Using the Gradebook](#) and [Speedgrader](#)
 - [Creating a Module](#)
 - [Creating a Discussion](#)
 - [Checking course accessibility with Ally](#)
 - [Creating rubrics](#) and [Adding a rubric to an assignment](#)
 - [Creating a assignment with Panopto](#)
 - [Students submitting assignments with Panopto](#)
